

“We have a new move-in”-----

Now What???

Mirica Bryant, ALA

Stephanie Palmer, RN

We Have a Move In...Now what??

Objectives

Upon completion of this session, the audience will be able to:

- Identify ways to prepare for a new move-in
- Use different assessment tools and techniques to formulate service(care) plan
- Link assessments to service plan
- Update and evaluate changes on service plan

Am I making the right decision for my loved one?

It Starts Before Admission:

—YOU—
NEVER
get a second
CHANCE
TO MAKE A
Great
FIRST
IMPRESSION

HELLO
my name is

▶ Lasting First
Impression

Then the process starts:

- *Personal history*
- *Medical Diagnosis*
- *Medications*
- *Allergies*
- *ADL needs*
- *Social History*
- *Likes/Dislikes*
- *Hobbies*
- *Religious/Cultural Beliefs*
- *Skin Assessments*
- *Fall Assessment*
- *Cognitive Assessments*

**PLEASE DON'T LET THEM
KNOW WHO YOU ARE?**

The First Encounter

Hello...It's so nice to meet you sir!!!!

TELL ME ABOUT YOURSELF?

Exploring Fall Risks

Risk factors for Falls

Give your team a visual reminder

Summarize

- Tips for creating the best careplan for a good first and ongoing impression
 - Know your processes for collecting information before, during and after an assessment for admission
 - Remember the importance of making a lasting first impression
 - Know and find different assessment tools that can be utilized to obtain detailed information on your new resident
 - Know how and what to communicate information to staff caring for resident 
 - Know when and what documentation about changes in resident care should be in the careplan

WE CAN ALWAYS BE
AVERAGE
AND JUST DO WHAT'S
NORMAL

I'M NOT IN THIS TO
DO WHAT'S
NORMAL
